### **Van Buren Fire Department Union #4078 Endorses Rose for State Representative**

**VAN BUREN, Ark.** (Feb 8, 2022) – River Valley minister and small business owner, Ryan Rose, was endorsed today by the Van Buren Fire Department Union (#4078). The Van Buren Fire Department is dedicated to the safety and wellbeing of the citizens of Van Buren and is responsible for protecting thousands of Arkansans and visitors to the community every day.

According to #4078 President Lee Wilkinson, “The firefighters of the Local #4078 believe that as State Representative, Ryan Rose will be a true champion for public safety and working families. We are proud to endorse him in this race.”

“I am honored to receive this endorsement,” said Rose. “As the State Representative for District 48, I will work hard to ensure our fire departments and first responders have the resources they need to do their jobs safely and effectively. I join in with the rest of the River Valley in thanking our firefighters for the critical work they do each and every day in our communities, especially during this pandemic. I look forward to continuing to work with my friends in our fire departments to protect families in Arkansas.”

Several firefighters and members of the Local #4078 met with Rose this week. During the meeting, Rose discussed a wide array of important issues facing residents and first responders across the Arkansas River Valley.

The Van Buren Fire Department Union (#4078) endorsement comes on the heels of the endorsement of Rose by Lt. Governor Tim Griffin, three Van Buren Justices of the Peace and several other community and civic leaders. Ryan Rose, 37, is a conservative Republican, running for the District 48 House of Representatives seat. The primary will be held on May 24, and the general election will be Nov. 8.
